Charity of the month - BRAVE TRUST

BRAVE is a local charity set up to 'Support Christian Teaching in Local Schools'. It aims to help pupils become more familiar with the basic biblical narrative and to enable them to consider the situations in which they find themselves in the light of Christian ethics. BRAVE was commissioned to do this by local churches of many denominations, helping them, through its work, to reach young people in ways which the churches themselves may find hard to do in carrying out their mission to young people. Brave is totally financed by local churches and if you feel able to make a donation please do so in the special yellow envelopes and place these in the collection.

Further details are set out in a letter from the chairman on the board at the back of the church.
