

~ Lent Course 2017 ~

As our Lent Course for 2017 we will be following a series of studies set out by the Diocese of St Albans as part of the “Living God’s Love” initiative.

**Tuesday's at 8pm
in the Parish Room, Swan Street.**

The tiles for the five studies are:

7th March	To live your love with Generosity
14th March	To live your love with Joy
21st March	To live your love with Imagination
28th March	To live your love with Courage
4th April	To live your love with For the Sake of the World

The “Living God’s Love” is deigned to inspire us both as individuals and as God’s Church in the Dioceses to live out our faith – with generosity, joy, imagination and courage.

The course is designed to help us answer questions such as

- What does that look like?
- How might our lives demonstrate these qualities?
- How do these qualities reflect Christian Scripture and tradition?

Each study is largely independent of the others – so if you can only come along to one or two of them please feel free to do so.

Everyone is most welcome to join us.
